

When Mr. Rogers read this, he was confused because the first sentence was only two words long. Mrs. Rogers wasn't confused at all.

$x + y$
 $x + y$
 $x + y$
 $x + y$
 $x + \quad y$
 $x + \quad \quad y$
 $x + y$

1 In This First Section

This is the first section.

1.1 We Have This First Subsection

This is the first subsection.

1.1.1 And This Subsubsection

A subsubsection.

And This Paragraph A notable paragraph.

The second line in this notable paragraph.

And This Subparagraph A notable subparagraph.

Paragraph for my report

Something I did during this period of time with a great success and huge number of publications in different scientific journals over the whole world.

1.1.2 And Then This Subsubsection

2 The This Second Section

2.1 We Have This Subsection

Part I

This is a Part

This is a new part. Let's see how it will look like.
